

Run for Remagen Bridge

This is not a real operation, it's a scenario remembering a 70's film.

U.S.A. 1600 pts
No On-Table or Off-Table Artillery, No Air Attacks.

German 1000 pts

Plus a free Medium Tank that can't move (only Fire) to place anywhere on the table and a free F.A.O. to place in a fixed position (blue circle on the map). He can see all over the table.

Deployment **U.S.A.** Up to 15 cm from the table edge.
German Inside the city (BUA) and the hill line.

Situation The Allies have broken the German lines and they are trying to capture the bridge of Remagen before a convoy of the German Army cross it.

Table 120 cm x 120 cm

Hills Are impassable to all troops.

Convoy It moves d6 x 5 at the start of the German turn.

Victory con. **U.S.A.** an unsuppressed unit must block the convoy staying on the road to the bridge at the end of the turn.

German The convoy must touch the bridge.
